Significant Awards & Testimonials

Being formally recognized with various awards is nice, but hearing directly from our customers is even better!

Here are just a few recent comments we have received...

“As someone who knows little about cars & needed to find a reputable place to have work done on my car, I was lucky to be referred to AAMCO. Their service is friendly and Dan (the Service Manager, and Marlene, the owner, are accommodating & honest. Work is done as promised & quoted & the quality is excellent.” – *Phyllis*

“I absolutely love AAMCO! I came here and Dan really made my repair a blast! The customer service here is excellent. I will forever bring my vehicle to this place for my repairs.” – *Antoinette*

“I felt totally safe and assured leaving my car in the hands of Marlene, Dan, and the mechanics here. I think they are very honest, trustworthy and ethical. I’ve been telling all my friends to take their cars to AAMCO!” – *T. Hailey*
